FROM US WE HAVE MORE THAN TEN YEARS OF EXPERIENCE IN ORGANIZING CONFERENCES AND WE HAVE ALL THE CONFERENCE SUPPLIES.

THE COMPANY HISTORY

The company operates with the strictest confidentiality, which is one of the many reasons why so many major corporations and private individuals trust us with their large events and events planning.

However, we like to think this is also due to our creativity, passion, customer service and desire to go above and beyond for our clients..

Quality Delivery

Sparkle Engineering is dedicated to providing quality service to its customers. Quality is at the heart of what we do and is why we have a large number of customers who come back to us for our event services time and time again.

Project Management

Even a small self-managed event that only requires limited AV equipment still needs planning and scheduling to ensure the equipment is in place and fully operational in time for the event to start without hitches. For events that require multiple services with larger attendances, Sparkle Engineering will create and manage a project plan which can be shared with you. This plan will include venue confirmation, critical dates and the various elements needed to ensure the delivery of a great event.

THE COMPANY

Sparkle Engineering was created in 2014 . Our aim is to reach the ultimate vision of our clients. We work closely with all stakeholders and take pride in our communication, project management, and execution abilities.

Our Company

With our considerable experience in the live entertainment sector, Sparkle Engineering will deliver.

Sparkle Engineering is committed to sourcing the best professionals in the industry to ensure the prime service and your ideal outcome.

You have the vision and we have the tools to make it happen. Let us take your dreams and make them a reality with our proven project management process.

WE HAVE CONTRACTS WITH ALL FIVE-STAR HOTELS IN ERBIL AND ALL HIGH-END HALLS. WE HAVE SOUND SYSTEMS, GIANT SCREENS, AND TRANSLATORS IN ALL LANGUAGES. WE ALSO HAVE A GOOD STAFF IN DECORATING THE HALLS. WE HAVE A PRINTING DEPARTMENT TO PRINT ALL CONFERENCE SUPPLIES.

OUR Responsibility

A well-known name among event production companies, Sparkle Engineering are a medium-sized organisation dealing day-to-day with businesses ranging from SMEs to multi-national groups, so we appreciate the need to be open to the way we conduct our event production agency and the responsibilities it brings.

ETHICS

Sparkle Engineering maintain clearly defined rules on Business Ethics, relating to how we manage and maintain relationships with our clients and suppliers. We always aim to ensure we act in a moral, ethical and legal way and do not compromise ourselves or others by any of our actions.

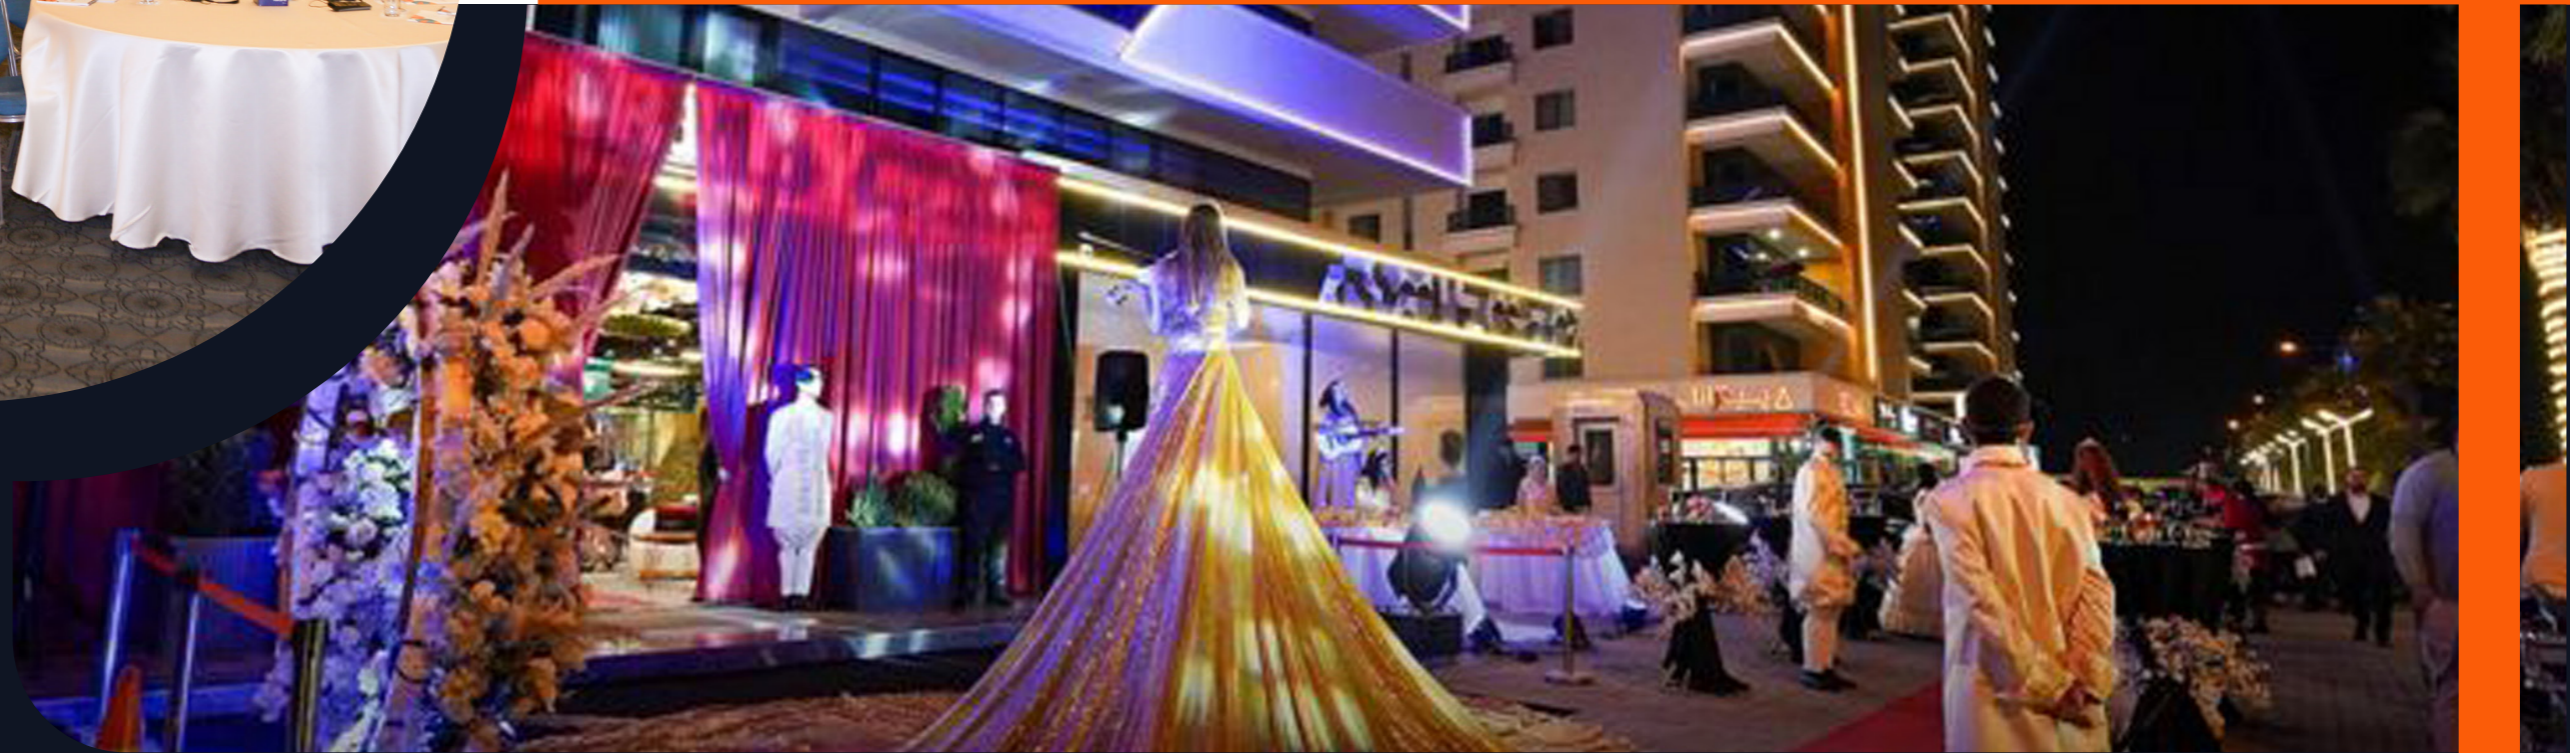

EQUALITY & DIVERSITY

Like many in our industry we maintain a core team of committed professionals and utilise experienced sub-contact specialists who have worked with us for many years to undertake the labour component of our site work. For employed and contracted staff, we strive to provide a working environment where everyone feels valued, respected and able to happily work and contribute well without prejudice.

ENVIRONMENT

It's hard today not to be aware of how our behaviour and actions impact on the environment around us. As a result, we continually strive to improve our carbon footprint and always wherever possible utilise materials from sustainable sources.

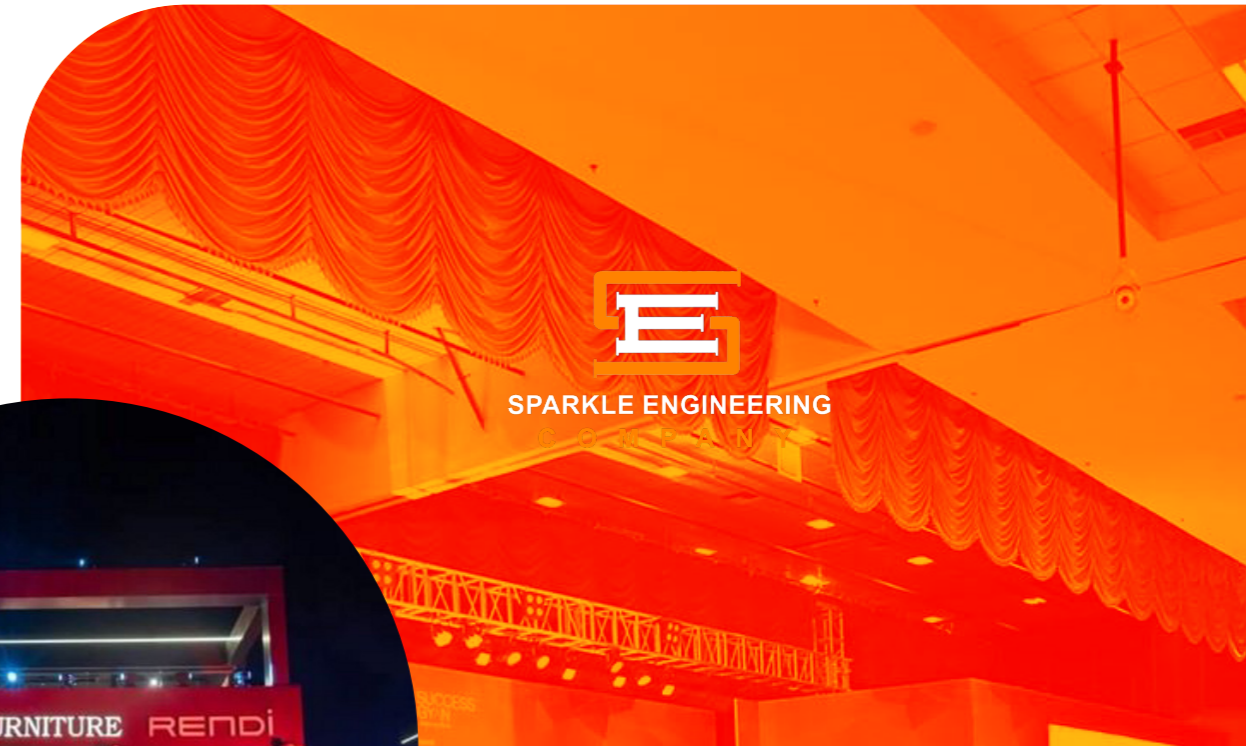

GRAND OPENING ORGANIZER

Event Conceptualization and Planning:

Opening ceremony services often begin with the conceptualization and planning phase. Experienced event organizers collaborate with clients to understand their vision, goals, and desired atmosphere for the event. This includes outlining the program flow, selecting themes, and coordinating logistics to ensure a seamless execution.

CONFERENCES

Professional conference production using the latest audio visual equipment combined with first class technical support is key to the success of every conference. Our team of highly skilled technicians will work closely with you throughout the planning stages to ensure a seamless and unforgettable conference.

If your business is launching a new conference or trying to revitalize an old one, we can help with that, too. Our global conference planning team will work with your speakers and organizers to get a solid understanding of your conference messaging and themes, along with giving you conference planning tips. Then we will be as hands-on as you'd like.

CREATING A VISUALLY STRIKING STAGE AND SET DESIGN ENHANCES THE OVERALL CONFERENCE EXPERIENCE. DESIGN PROFESSIONALS COLLABORATE TO CONCEPTUALIZE STAGES THAT NOT ONLY SERVE AS A FOCAL POINT FOR SPEAKERS BUT ALSO CONTRIBUTE TO THE EVENT'S AESTHETIC APPEAL. INCORPORATING MULTIMEDIA ELEMENTS, LIGHTING, AND INTERACTIVE FEATURES ADDS A DYNAMIC DIMENSION TO THE STAGE.

EXHIBITIONS

Your exhibition stand is an important focal point. We can help you maximise the valuable opportunities presented at exhibitions, road shows and other promotional events. With our technical support, stand design and build, we will help you attract potential clients with eye-catching branding, create visual impact with the effective use of lighting and integrate innovative technology for maximum promotional effect.

At the core of our business is our award-winning multi-disciplinary design team creating astonishing immersive experiences for our clients.

WE TRANSLATE COMPLEX CONCEPTS IN AN ENTERTAINING AND INTERACTIVE FORMAT. WE SPECIALIZE IN SCIENCE CONTENTS. WE DESIGN IMMERSIVE SPACES IN WHICH FORM AND CONTENT ARE CONCEIVED AS A SINGLE ENTITY WHERE USERS ACTIVELY PARTICIPATE IN A FASCINATING EXPERIENCE.

EVENT THEMING

Designing and producing spectacular themed events for our clients has been part of our core business for many years. Our team of creative designers and lighting technicians will transform any room into something truly eye catching, guaranteed to 'wow' your guests from the moment they arrive. Our popular themes include; Winter Wonderland, Venetian Masked Ball, Mad Hatters tea party, Oscars, Hollywood, Carnival, to name just a few.

we supply everything from ingenious set design, themed venues and marquees, to inventive props, tailor-made catering and custom entertainment

EXCEPTIONAL THEMED EVENTS

WORKSHOP ORGANIZER

At Sparkle Engineering we design and set up stages for your corporate events, as well as their management with the full contracting of services. We propose end-to-end organization so you can simply enjoy your event. There is nothing we cannot achieve. We are an event organizer that designs unique experiences from intimate venues to large-scale events that make a real impact. Our 10 years of experience make us the utmost solution for companies looking to make their exclusive tailor-made event a huge success.

we supply everything from ingenious set design, themed venues and marquees, to inventive props, tailor-made catering and custom entertainment

DESIGNING UNFORGETTABLE EVENTS

NOT ONLY DO WE LIAISE DIRECTLY WITH THE PARTIES INVOLVED IN THE EVENT, WE ALSO ENSURE THEIR PRECISE NEEDS. WE INTEND TO SURPASS YOUR EXPECTATIONS FOR THE ORGANIZATION OF THE EVENT. WE FIRST ASSESS YOUR COMPANY'S NEEDS AND GOALS TO ENSURE THAT EVERY ELEMENT OF YOUR EVENT COMPLEMENTS YOUR BRAND STRATEGY AND YOUR BUDGET. AFTER THE DEBRIEFING, OUR INNOVATIVE DESIGNERS AND PROJECT MANAGERS MAKE THE PROPOSAL THAT DETAILS THE DISTRIBUTION OF SPACES, DECORATION OF DIFFERENT AREAS, SIGNAGE, FURNITURE, GRAPHIC ELEMENTS OR CATERING FOR THE ORGANIZATION OF YOUR EVENT, TAKING YOUR TIMELINE AND BUDGET INTO ACCOUNT. ALWAYS WORKING HAND IN HAND WITH YOU, THE EVENT WILL BE CREATED AS CLOSELY TO YOUR ORIGINAL IDEAS AS POSSIBLE, BUT WITH OUR CREATIVE AND INNOVATIVE TOUCH. ONE OF OUR COMPANY'S MOTTOS IS THAT WE ARE PEOPLE "INSPIRED BY INNOVATION". LET US SURPRISE YOU!
